

Are you aware of the 4-H impact 4-H on your community?

Think about the way 4-H has impacted the lives of young people across the State of Texas for over 100 years!

Where would your community leaders, with a strong 4-H background, be today without the positive influences of the 4-H programs and the dedicated agents who became so meaningful in their lives.

Perhaps they were the one who showed the prize-winning steer at the local show.

Maybe they took first place at State 4-H Roundup with their clothing project.

Possibly, they were awarded the ultimate prize...a 4-H Opportunity Scholarship.

Or...perhaps you've witnessed the positive impact 4-H has had on the community you proudly call home.

No matter what your connection is to 4-H, we want you as a member of the Texas 4-H Friends & Alumni Association.

Your membership makes a difference. Your membership combined with other supporters has allowed us to award collegiate scholarships, 4-H program support grants, and financial support to 4-H'ers to attend leadership events.

So if you would like to help give back to the program that has given so much to so many, join the Texas 4-H Friends & Alumni Association today.

You can be a part of helping
